

## Summer Economic Fellows Applicant Information Form

The information below will be used by the Summer Economics Fellows Program in choosing Fellows and will be shared with the sponsoring institutions. Information about the program is available at [www.cswep.org/summerfellows](http://www.cswep.org/summerfellows)

Name: \_\_\_\_\_

Affiliation: \_\_\_\_\_

Academic status (PhD candidate, post-doc, assistant professor, etc.): \_\_\_\_\_

Email address: \_\_\_\_\_

Short title of proposed research: (20 words or so):

Restrictions or preferences, if any, on location of fellowship (See list of sponsoring institutions on website. You may list "any Federal Reserve location" if that best fits your needs):

\_\_\_\_\_

Restrictions or preferences, if any, on the dates I'm available during the summer.

\_\_\_\_\_

### Immigration issues: Please check one.

US Citizen, permanent resident, or otherwise already have legal right to work in the United States

I can arrange for my own visa

I'll need help on the visa. If you checked this box, please tell us a little about your citizenship and anything relevant to visa status.

Voluntary: Fellowships are open to all without regard to gender or minority status. We'd like to know how your participation would help the goal of advancing the careers of women and underrepresented minorities.

I am a woman.

I am a member of an under-represented minority group, defined for this purpose as a U.S. citizen, permanent resident, or refugee, who is African-American, Hispanic or Native American.

Neither of the above: here's a brief explanation. \_\_\_\_\_

\_\_\_\_\_

Who will be emailing us a letter of reference? (Required only of graduate students, but your application would be strengthened by a letter of reference.) \_\_\_\_\_

\_\_\_\_\_

This form should be returned together with a CV and 1 page research proposal to [cswep@usm.maine.edu](mailto:cswep@usm.maine.edu).
